## Disclaimer

This presentation is based on market figures collected by NVL at it's Members as well as non-Members. None of the Participants in the survey is or will be disclosed. The presentation is prepared by the Secretariat of the Association. Wherever needed a 'best-guess' is made, by taking great care to remain as close as possible to the market reality. Because of the comparison year-on-year, some corrections may have been applied. If mentioned 'based upon available numbers' this means that not all participants have disclosed all detailed information. All available data have been represented in the graphs. No Member or non-Member, no Participant, has access to the underlying data. Only aggregate data are disclosed and published. Eventual external data are supplied by the Centraal Bureau voor Statistiek (CBS).
